APPROVED VACATION HOME / CONDO HOUSING OPTION

DIRECT CALL PROGRAM AND PROCEDURE

Purpose:

This procedure is established as a variation to the standard Event Housing Policy. This option will give teams the ability to work directly with an approved event vacation home/condo supplier and utilize the selected accommodations as their primary team lodging during the **2011-12 Kick It 3v3 World Championship** events. This program allows teams the individual flexibility of maintaining control of important housing selection criteria (location, cost, amenities, etc) while still following the parameters of the “Stay to Play” program format.

Procedure:

Please review the steps below to choose and finalize your desired accommodations. Once your housing arrangements are complete, fill out this form with the requested information then mail or fax to the GET Travel Corporate Office. Once received and reviewed; GET Travel will approve your team as compliant with the housing policy.

Step 1 Choose one of the approved vacation resort management companies listed below and call or email them to discuss your housing needs, pricing and rental terms. You can work with one or more of the approved companies to select the home/condo that meets your team’s specific housing requirements. Booking the company directly online through any source **DOES NOT** apply in this program. The procedure is to state up-front to the selected company that you are a preferred GET Travel Sports Traveler and give them our specific Event ID Code of: “GET-KICK IT SCR”.
