How It Works

1. Upon checking into your Walt Disney World Resort hotel, ask a Cast Member at the Front Desk for a Walt Disney World Resort Transportation brochure, and familiarize yourself with the transportation system for your particular Resort hotel in greater detail.
2. Stop by one of the convenient and well-marked pick-up points at your hotel—and throughout Walt Disney World Resort—and, usually within minutes, your ride will arrive ready to transport you throughout the Resort. Keep in mind that certain destinations are not direct, and that you may be required to take a connecting mode of transport to reach your required stop.
