

HOW TO ENTER (DME) FLIGHT INFORMATION

If you have a reservation at a Disney Resort Hotel and are flying into Orlando's International Airport (MCO) you may elect to use Disney's Magical Express (DME) transportation to get to the Disney resort upon arrival and back to the Airport upon departure. Please have ready the following information prior to the step-by-step directions for entering flight information into your traveler account;

- ✓ Names of all travelers in the hotel reservation and staying in the room. (Note: A standard room sleeps 4. Only four traveler names can be listed in a standard room or entered into your account for transportation. If you need larger accommodations for more than 4 please contact GET Travel.)
- ✓ Name of Airline for both Arrival and Departure
- ✓ Flight number for both arrival and departure
- ✓ Flight times for both arrival and departure
- ✓ All traveler names listed in the hotel must appear on the DME entry

Below is a sample of the informational screens which you will be instructed to enter flight and traveler information into.
