

GROUP AIRLINE REQUEST

Twirl Mania Baton Championships
Disney's Wide World of Sports® Complex
February 16-19, 2007

A Group is considered 10 or more seats. Please be aware that group rates are higher than Internet rates due to the fact that airlines will average together the rate of every seat used in the reservation to fulfill the request. Internet rates are for individual travelers and are for a limited amount of seats. *For example: You need 15 seats for your group. 5 seats may be available at \$200.00 (lowest rate), 10 more seats are available at \$225 (next lowest rate). All rates will be added together, divided by 15, creating an average rate of \$216.67 per ticket.*

Please complete this form and FAX to WorldPass Travel at 916-939-6806:

Special Needs or Requests: _____

Roundtrip Commercial Airline transportation quotes will be provided from your airport choice(s) to Orlando International Airport. Quotes will be provided at the lowest group rates available including a non-refundable \$30 per ticket service fee. Please be advised the quote is a Group Ticket Fare and is Non-Refundable and Non-Changeable after ticketing. Depending on the rules of your airline of choice, the number of seats may be adjusted by a small percentage once your initial deposit has been received up until a specific cut-off date. Your group confirmation will indicate the number of seats confirmed. Additional seats are based on availability and may not be at the same fare. All air deposits and final payments are non-refundable. Airfare includes current federal excise tax, airport passenger facility charges, fuel charges and security fees. Should an increase involving any of the previous fees occur, or any new fees be established by the airline or U.S. Government, the group will be responsible for paying the additional cost.
